MORE INFORMATION TO FOLLOW NEXT WEEK

- **MAJOR** concrete repair and replacement on EUCLID WAY/GETTY COURT is expected to begin on **Monday, September 13th**. Cars **WILL BE TOWED AT OWNER'S EXPENSE**. Do not plan any deliveries to your home.
- U.S. Mail should continue to be delivered; however, it is at the post office's discretion.
- Emergency vehicles will enter the street if there is an emergency, even at the risk of damaging newly laid asphalt.
- While we do not want **ANYONE** driving on the street while work crews are busy and construction equipment is on the premises, we do expect there will occasionally be a need for someone in poor health or with a disability that needs to be picked up at their door or dropped off. Assist your neighbors who may need it!!!
- Removal or re-location of safety barriers blocking entrance to construction area is **NOT ALLOWED** while the construction crew is working.
- As always, all dates are weather dependent.
- Trash will only be picked up at the corner of Euclid and Northumberland. Do not put trash in front of your home during street repairs.
